

## HIGH COMPLIMENT FOR COATES' ADDRESS

President of Eastern Pleases Stanford By His Talk To High School Graduates

The Stanford Interior Journal paid high compliment to an address President T. J. Coates, of Eastern Normal, delivered to the graduates of the Stanford High School the other day. It said of him:

### Dr. Coates' Great Address

The address of Dr. T. J. Coates, president of the Eastern Kentucky Normal School at Richmond, before the graduates of the Stanford High School at the opera house Wednesday night was so chock full of good things that we regret that we are unable to print it in full. Every word of it was good "horse" sense, and if the young ladies and gentlemen, to whom it was delivered, live up to the suggestions and admonitions given by the noted educator, they will make their presence felt, it matters not where they cast their lot, nor what vocation they choose in the years that are to come. The doctor told of the many advantages of education, how the children of today are blessed beyond that of the generations before them, how necessary an education is that we may enjoy the good things of this life. "After securing an education it is necessary to work that it may be properly enjoyed. It is sin to let our talents and our accomplishments be idle," said he, adding that every good citizen must have something to do, and keep doing it. He did not say that an idle mind is the devil's workshop, but many drew that inference. He told of the greater public school in the United States—way up in Minnesota—where he went through a desire to better fit himself for his work in Kentucky. He saw 30 young men come from their work at the forge, in the factories, and from other vocations, to the class room and read Virgil better than he had ever heard it anywhere. "They had the right idea of things. A man who can read Virgil should also not only know how to work, but work," said the speaker. Dr. Coates was glad to see as many graduates as were before him, but wondered where the rest of the class is. "Four young men and eight young women; where are the other four boys? Yes, where are the other 36 that started with these? It is the absent ones that we should worry about," said he. He paid Stanford a pretty compliment and was profuse in his pleasing remarks about our courthouse. "I stood at length before it this afternoon and felt proud for you people that you have such a magnificent 'Temple of Justice.' The work of art is plainly seen in its architecture and those graceful columns remind me of the noted buildings told of in history," said he. At the conclusion of his magnificent address, Dr. Coates turned to the graduates and for five minutes or more plead with them that in all things, they make men and women true to the name of themselves. He hoped they would all go higher in educational lines, but if there were any who did not have the good fortune to go to college, he hoped they would make the best of the education already received at the Stanford Graded and High School and make records for themselves that their instructors and friends would be proud of. There is little of the orator about Dr. Coates, but his address was so interesting and contained so much food for thought that it will be remembered in the years that are to come by all who heard it. Prof. Cancer is to be congratulated on securing the services of one so well fitted to edify and entertain and to bring a message fraught with the better things of life.

## JAPANESE RESUME TRADE WITH GERMANY

(By Associated Press)

BERLIN, MAY 26 Japanese commercial firms are making great effort to resume business with Germany. One Japanese shipping company has opened its offices in Hamburg and a regular steam ship service running to Japanese ports. Copper and silk are the main exports from Japan to Germany while potash is the chief article demanded from Germany by Japan. According to the Tageblatt, the Japanese government is considering a claim submitted by Germany that the Shantung (Tsingtau Tsinanfu) railway is private and not state property. In the latter case, the railway would become forfeited to Japan, in accordance with the same terms of the peace treaty.

## MISSING WOMAN NOT KNOWN HERE

Mrs. Charles Lutton, of Newport, well known in Red Cross work during the war, sought the assistance of that organization in Manchester, Ohio, to aid in finding her daughter, Mrs. Bertha Massman, from whom she has not heard for almost a year. Her daughter married Edward Massman when she was scarcely 15. They left home, but returned, and Mrs. Lutton stated, after remaining six months, left again. A report from Manchester stated a young woman answering the description of the daughter was taken care of by the Red Cross there and died.

It was also reported that Mrs. Massman was a resident of Richmond, but an exhaustive inquiry failed to produce any evidence of her ever having lived here, and this phase of the report is believed to be a mistake.

## THREE ARE SLAIN IN PULASKI FEUD

(By Associated Press)

Danville, Ky., May 26—Jack McKinney and two sons, George and Virgin, who were shot and killed yesterday at Ocala, Pulaski county, lost their lives in an argument over a dog according to word received here today. The McKinneys, according to the report, killed a dog which belonged to John Hansford a month ago. Hansford and his son met the McKinneys yesterday and discussed the dog killing. Weapons were drawn and when the smoke cleared away the three McKinneys were dead. Hansford and his son were arrested after they had gone to Somerset and surrendered to County Judge Tartar.

All the parties involved are prominently connected. Hansford is a deputy sheriff.

## SUNDAY SCHOOL WORKERS' MEETING

Important Session Held By Richmond Workers at M. E. Church Here

The district Sunday School convention for the Richmond district, held at the Methodist church last night, was a distinct success. The crowd was not quite as large as might have been expected, but the program was a good one.

W. J. Vaughan made a very interesting talk on the ten points which it takes to make a standard Sunday School. According to these ten points the Sunday Schools of Richmond district were graded as follows:

First Christian Sunday School, 100; Second Christian Sunday School, 50; Second Presbyterian church, 25; Baptist, 86; Presbyterian, 83; Methodist, 65.

Mr. Robert Burnam, Sr., made a splendid address on "The Price of Success in Sunday School Teaching." He related personal experiences with great Sunday School teachers and very concretely illustrated that a man's Sunday School training never gets away from him. He said that faithfulness, patience, perseverance and love of God in the heart were the prime requisites of the successful teacher. Love of God in the heart is that intangible quality which is the secret of success before the class. A man may be a great botanist, but without the love of God he will never be able to explain the Rose of Sharon or the Lily of the Valley. A man may be a great geologist, but he will never be able to explain the Rock of Ages; he may be a great astronomer, but he will never understand the Star of Bethlehem without this love of God.

Mr. J. W. Arnold talked about teacher training and pointed out the opportunity that libraries, literature, pictures and training classes afford.

Prof. I. H. Booth spoke of the moral duty of the strong Sunday School to accept a weak Sunday School in the same sense that the larger nation has a mandatory duty to watch over the smaller nation.

Miss Jeannette Pates delivered the masterpiece of the evening on the subject, "Winning the Child of Christ." It takes an artist to handle such a subject and Miss Pates fully measured up to the standard. Her touches were so deft, delicate and subtle.

Miss Miriam Noland sang to the great delight of the audience.

### Valuable Information Awaits Doc Erby Here

If Doc Erby, colored, is in this locality and responds to this address he will doubtless learn something to his advantage, as the self-explanatory letter follows.

Knoxville, Tenn., May 24. Editor The Daily Register: I am trying to locate a negro who formerly lived at 805 Hathaway street, Cincinnati, Ohio, and who left there, stating he was going back to his home in Richmond, Ky. This negro's name is Doc Erby. If you know of this party or can get him located so I can get in touch with him by mail, I will pay you for your trouble, as I have some valuable information to give him.

Let me hear from you at once if you can locate him. Thanking you in advance, I remain, Yours respectfully,

JAMES F. KYLE, 503 W. Front street.

### BEND

Work on lock No. 11 has been suspended for a few days on account of the lack of material.

Quite a number of Madison county persons went to Corinth, Estill county, Sunday to hear Rev. Peele of Nicholasville, preach.

## CIRCUIT COURT TERM NEARS CLOSE

Big List of Cases, Resulting From Grand Jury Investigation, Disposed of

Much of the time in the Madison circuit court is now being utilized by Judge Shackelford in disposing of cases accruing from the recent grand jury investigations. The list thus far disposed of is as follows:

Stanley Rodgers, charged with having appropriated property namely chickens, belonging to other persons, who was convicted and sentenced to imprisonment for a period of one year, asked for and was refused a new trial. He was given a stay of judgement for sixty days to prepare his case for an appeal.

Bailey Lamb was fined \$100 and costs for discharging firearms on a public highway.

Phelps Hisle, charged with failure to provide for his minor child was found guilty and sentenced to one year in prison, however Judge Shackelford stayed judgement, providing Hisle provided the sum of \$10 monthly for the previous child, and as long as this is done, the sentence will not be executed.

L. D. Abney was fined \$25 for assault.

W. D. Gentry was found not guilty of seduction.

Walter Parker, found guilty of carrying concealed weapons, was fined \$100 and costs, sentenced to jail for ten days and disfranchised for two years.

The case of William McSwain v. Roy C. Woods, has been dismissed in the circuit court, on motion of attorney for the plaintiff.

G. M. McKenzie was found not guilty of a charge of grand larceny. Indictment returned by the grand jury.

Daily Lamb was fined \$100 and costs, sentenced to jail for ten days and disfranchised for two years for carrying concealed weapons.

Cornelius Ballard, charged with having realized the sum of \$9.50 on a "cold" check, asked for a new trial but was refused. His may be another held up pending preparation for an appeal.

## SUSPECTED TRUCK DRIVER ARRESTED

Louisville, Ky., May 26—Police early today seized a large motor truck near the Old Kentucky distillery. They fired two shots at a man who gave his name as William Klotz, 27, effecting his arrest. The police profess to see in these circumstances a plot to rob the distillery of whisky. Klotz admitted, police say, he is engaged by several men to haul whisky from the distillery, and that there is no danger connected with it.

### Must Be Conscientious

Chicago, May 26.—Railroads of the United States are not opposed to a fair wage increase for employees if the employers are guaranteed conscientious work in return, E. T. White, representing the railroads, told the railroad labor board, today in finishing the presentation of his reply to the employees' demands.

### Sutherland Claims W. Va.

Wheeling, W. Va., May 26.—Senator Sutherland's campaign manager today claimed the state for Sutherland by 15,000 over General Wood as a result of yesterday's state-wide presidential preferential primary.

### Daniels Is Peeved

Washington, May 26.—Declaring the "steam roller" is being used on him, Secretary Daniels told the Senate naval investigating committee today he would appeal to a full committee if Chairman Hale insisted in putting into the Record the "unfair and unfounded" statement as to the condition of the American warships when war began.

### Two Americans Held

Washington, May 26.—Two Americans, Homer Carpland and man named McDonald have been taken prisoners at Jimenez, Chihuahua, according to a report to the State Department today. No details were given.

### Attention, Elks

Two candidates will be initiated Friday night, May 28. All members are urged to be present.

Tuber Powell, Exalted Ruler.

## WILL REORGANIZE MILLION DISTRICT

Extensive Sunday School Campaign Will Be Opened By All Day Meeting

Saturday May, 29, will be a big day at Valley View, when there will be an all day meeting held at the Baptist church and District Chairman Elvada Tudor of the District Sunday School is of the belief that the meeting will be largely attended, since the public is invited to come with a cheerful disposition and well filled baskets. The meeting is really for the reorganization of the Million district. The program will be an interesting one and there will be special music. One of the speakers of the day will be W. J. Vaughan of Louisville, a state Sunday School worker. It is the intention to reorganize the entire district and revive the work generally. All of the schools in the district are expected to be represented. J. Howard Payne, of the Richmond district, stated today he would not be able to be present, owing to other business. There are a number of young workers who have signified their intention of taking up the work and assist District Chairman Vaughan with reorganization.

## STATE NORMAL DROPS TWO GAMES

The State Normal ball team has returned from Barbourville, where two games were played, one Monday and the second Tuesday, both victories going to Barbourville. The local team could not connect with the opponent, except in the second game, which resulted in a score of 3 to 2. The first game recorded the running away with the contest at the start by the Barbourvilleites, when they started in and didn't stop until they had rolled up 15 runs.

There is no alibi hinted at, but the local team was short on pitchers and this weak point was taken advantage of by the opponent with the result that the contests were easily bagged.

### Prof. G. D. Smith Is In BIG DEMAND AT SCHOOLS

Prof. G. D. Smith returned this morning from Glenco, where he delivered the address for the graduating class of the high school. The church, where the exercises were held, was not sufficient to accommodate the attendance, many standing patiently throughout the rendition of the program. Prof. Smith will deliver the commencement address on Wednesday night at the Union City high school.

### Prof. Keith Is Recovering

Superintendent Cancer, Stanford, is at the State Normal, officiating at the history and civic classes in the absence of Prof. Keith, who is in Louisville, where he went some time ago and where he underwent an operation. This is reported to have been successful, and his early return to the institution is expected.

### Y. W. C. A. Play Postponed

The play to have been given on Tuesday night at the State Normal by the Y. W. C. A. has been postponed owing to various reasons, among them being the necessary absence of some of the participants, and the pressing of other work which was not anticipated at this time. The young women will give the play later for the Blue Ridge delegate fund.

## PROCTOR BIGGEST BACKER OF WOOD

Washington, May 26.—William C. Proctor, of Cincinnati, advanced \$500,000 to the campaign fund of General Leonard Wood, he testified today at the Senate investigation into the pre-convention presidential campaign, financing and said this sum was more than the total of contributions to the Wood campaign fund from other sources.

Contributions to the fund for Attorney General Palmer's campaign for the Democratic nomination for President were placed today at \$59,610 by his campaign manager, former Representative Carlin, of Virginia. The largest contributor was R. James McClurg and Guffey Pinburgh, who gave \$10,000, and who are identified as oil men. The next largest contributor was Frank L. Crocker, of New York, who gave \$25,000. Former Federal Judge Harry Covington gave \$2,000.

## SEARCH CHICAGO HOMES FOR BOOZE

Chicago, May 26.—Major Dalrymple, chief of the Chicago district of prohibition enforcement officers, today announced that search warrants have been asked for more than a dozen homes, apartment houses and hotels here in an effort to further uncover alleged operations of the "million dollar whisky ring" in Chicago. "It will be another jolt today," said Dalrymple, discussing the situation following a raid on the home of Charles B. Smith, president of an automobile accessory company.

## PREDICTS ELECTION OF GOVERNOR COX

Marion, Ohio, May 26.—In Senator Warren G. Harding's home town yesterday, State Central Committeeman Ira Pontious, of Upper Sandusky, at a meeting of Eighth District Democratic leaders at the courthouse here, predicted that Governor James M. Cox would be the Democratic Presidential nominee.

"And he will be elected," added Pontious, who had called the district meeting in Marion to lay preliminary plans for the redemption of the Eighth District from Republican representation in Congress.

Pontious further predicted the nomination and election of A. V. Donahy as Democratic Governor.

## BOLSHEVISM WORD SADLY MISCONSTRUED

Manila, May 26.—Bolshevism is a word that is sadly misconstrued in the United States, says Major-General William S. Graves, commander-in-chief of the American Expeditionary Force, which recently evacuated Siberia.

"At the mention of a Bolshevik the people instantly conjure a mental picture of a frowzy anarchist with a bomb in one hand and working for peace and the good of the country. In my belief they are trying to be eminently fair and just to the people. They have deplored the murder and bloodshed which took place before they first came into power in Siberia—January 31 of this year—and are doing everything possible to stamp this out."

### It's Difficult To Keep Them Down on the Farm

Buenos Aires, May 26.—Argentina, like the United States, has difficulty in keeping people on the farms and out of the cities. To combat the tendency toward city life, the minister of the interior, Roman Gomez, has asked all the governors of the provinces and territories to urge people to colonize the public lands.

Under a new law colonists are enabled to borrow from the national mortgage bank up to 80 per cent of the value of the land they have purchased and under the homestead law the government is permitted to give to colonists small lots of land in some districts.

## DISCIPLES FUND CLOSE TO \$140,000

Few Churches Have Reported But Sum Already Has Been Raised In Drive

Although reports have not been received from half the churches assisting in the campaign for the funds needed by one educational and missionary interests of the Disciples of Christ, which began May 9, in some of the districts of the state, and May 16 in others, and which has not yet started in still other sections of Kentucky, the total reported to headquarters in the First and City National bank building, Lexington, is close to \$140,000 the First Christian church of Louisville leading with \$14,000.

The goal set for Kentucky is \$1,200,000, if the aims of the educational institutions and the United Society of the Disciples are to be accomplished and the State Campaign Directors Joseph W. Hagin and Homer W. Carpenter are confident the churches of the denomination will furnish the funds declared necessary to carry on the work, of which is to go toward paying increased salaries for the professors and teachers in the Christian Colleges.

Reports from the churches given out Saturday afternoon include also the gifts of Transylvania, the College of the Bible and Hamilton College, which totals \$13,230. The allotment of Central Christian Church, which totals \$mfwyyyyyyy Church, Lexington, is \$14,660 and Dr. I. J. Spencer, its pastor, said it would be subscribed.

#### Prohibition Traded

It is declared by some of the metropolitan newspapers that New York

city is "wetter" than it was when the prohibition amendment went into effect. The statement is questioned by federal authorities, but it is admitted that an enormous amount of liquor is being sold in the city, most of it secretly, perhaps, but much of it in open defiance of the law. It is merely a question of how much the purchaser wants to pay.

New York does not appear exceptional in this regard. A newspaper inquiry reveals similar conditions in many cities, large and small, all over the country.

Boston reports that it is rather easy to procure whisky "for medicinal purposes" at prices ranging up to \$12 a quart.

In Chicago the drug stores are

obliging, and there are "pipe lines" to many of the hotels. Stuff that passes for whisky is sold surreptitiously in large quantities.

In St. Louis the whisky supply is said to be "very poor," but there is plenty of it, sold at 60 to 75 cents a drink.

St. Paul reports that Canadian whisky is obtainable by anyone willing to pay the price, depending on quality, of \$7 to \$20 a quart.

In Pittsburg whisky consumption is increasing, and prices have dropped. Whisky, said to come from the old established distilleries, which was selling a while ago at \$130 a case, is selling at \$60 a case. Bonded liquor is sold over bars at 40 and 50 cents a drink.

In Omaha both "moonshine" and bonded whisky are found to be plentiful, if seekers have the price.

The federal agents charged with the duty of prohibition enforcement are working hard, but the task seems too big for them. Apparently they are not receiving the support they should have in many states and cities from the local authorities. There will have to be more effective co-operation between local and federal officials, or else the federal government will have to provide a larger and better paid staff of enforcement agents to handle the job alone. Law is law; and regardless of the sentiment of any class of people, or of all the people together, in any locality, as long as the Volstead act is on the statute books it should be obeyed. If the public does not like the present method of enforcing the eighteenth amendment, the thing to do is to have it changed by legal processes.

#### COMMISSIONERS SALES

#### NUMEROUS THESE DAYS

Master Commissioner, Robert B. Terrill, of Madison Circuit court is a busy man these days, there being many sales these days. Tuesday he negotiated the sale of a lot with improvements in the city of Richmond to Mr. B. Current, consideration, \$3,500.

On Wednesday he will conduct the sale of what is known as the George W. Burton home, at Kirksville.

"These properties are all bringing a fair price," said Mr. Commissioner Terrill, in speaking of the work he is doing. There is always a demand for property, especially in the way of real estate, in this vicinity.

Owing to the backward farming season, no jurors will be summoned at Hodgenville, Commonwealth cases having been continued.

#### BIG SUM FOR GUARDS

Approximately \$2,229,400 a year will be paid in salaries in Kentucky alone out of the \$1,500,000 the United States Commissioner of Internal Revenue has estimated will be needed to enforce the Federal prohibition law in the coming fiscal year.

### It Makes Thousands of Friends by Its Every-day Performance

Men and women, everywhere, have acclaimed the Cleveland Six a winner. It has won thousands of them, and they are enthusiastic in its praise. It has won them because it brings them so much more of the pleasure of driving, such ease of driving and such unusual comfort.

The Cleveland has made its friends, too, because of the extraordinary performance of the Cleveland motor, developed through three years of tests in the laboratories and shops and on the road before being offered to the public. It has life, pick-up, power and endurance that you

cannot find in many cars.

Cleveland bodies are of most graceful, dignified design, handsomely finished and upholstered in genuine hand-buffed leather.

Come in and see the Cleveland Six. Ride in it. Drive it yourself. Then you will know just how good it is.

**Rodes—Harris**  
The following handsomely engraved invitations have been received by relatives and friends here, where the bride-elect is quite popular: Mr. and Mrs. Charles Henry Rodes, of Danville, invite you to be present at the marriage of their daughter, Mary, to Mr. Henry Ewing Harris, at 8:30 o'clock, Wednesday evening, June 9, at their home in Louisville.  
**Entertained the Nullo**  
Mrs. J. J. Greenleaf was hostess to the Nullo Tuesday afternoon. The game was greatly enjoyed by those present, and a delicious lunch was served.

The following engraved invitations have been received by relatives and friends of Miss Marie Bennett, who is a Senior at Science Hill this year: The Faculty and Senior Class of Science Hill School request the honor of your presence at the Graduating Exercises Tuesday morning, June 8, 1920, at 10:30 o'clock, Shelbyville, Ky.  
**Hedges—Northcutt**  
Friends here are interested in the following from the Winchester Sun: Miss Endocia Hedges and Dr. Elmer

Northcutt of Lexington were married on Saturday afternoon at 5 o'clock in the parlors of the Brown Proctoria Hotel by Rev. G. W. Banks. The bride wore a beautiful gown of blue Georgette with hat and gloves to match and carried a bouquet of brides roses. Miss May Alexander the maid of honor was attired in blue crape meteor Mr. Fred Willis of Lexington also witness the ceremony. Miss Hedges is the daughter of Mrs. Sue R. Hedges of Lexington and is a graduate of Cambell Hagerman College. Dr. Northcutt is one of Lexington's most prominent physicians. Immediately after the ceremony the happy couple left for a bridal trip east after which they will make their home in Lexington.

Miss Mary Louise Deatherage spent Monday in Lancaster.  
Mr. Elkany Pigg is visiting Winchester relatives this week.  
Miss Elath Buchanan was given a cordial welcome home from Shelbyville last year.

Mrs. James W. Smith is confined to her home by illness, her many friends will be sorry to know.

Mr. M. F. Enright and Mr. Joe Guinchigliani will spend a few days this week fishing at Bell Point.

Mr. and Mrs. E. V. Elder, Mrs. James Leeds and Mrs. M. F. Enright spent Tuesday in Winchester.

The Danville Messenger says, "Mr. and Mrs. Hugh Colyer were in Danville Thursday on business."

Mr. and Mrs. Virgil M. Gaines will go to Spencer county Wednesday to spend the remainder of the week.

Mrs. Mary Smoot left for Maysville Tuesday after a several weeks visit to her son, Dr. C. E. Smoot.

Misses Anna Donahue and Mary Timony, of Danville, were the weekend guests of Richmond friends. Miss Timony will enter State Normal for the summer term.

**Little Housekeeper Says:**  
June Columbia records are great. Hear Ted Lewis with his laughing trombone and jolson sing to his Spanish sweetheart.—W. F. Higgins.

Dr. and Mrs. Homer W. Carpenter spent Monday in Lexington.

Mr. and Mrs. G. W. Goodloe spent Wednesday in Lexington.

Miss Mary Lyndia Lynch, of Irvine, was with Richmond friends this week.

Mrs. C. F. Chenault and daughters, Misses Sue and Mary Emily spent Monday in Lexington, shopping.

Mr. and Mrs. H. J. Trigg have returned from Eagle Lake, Fla., where they have been spending the winter.

Dr. and Mrs. E. S. Caywood have returned to Ravenna, after a visit to Mr. and Mrs. Jesse Brandenburg, near Richmond.

Miss Katherine McBride is the very attractive guest of Misses Anna and Loucille Donahue at their home near Danville.

Miss Eugenia Herrington has returned to her home in Louisville, after a visit to her aunt, Mrs. Harvey Chenault.

Miss Cynthia Davison has returned from Stanford, where she taught music in the graded school the past term.

Mr. and Mrs. Joe Bender and children have returned from a visit to Mrs. Bender's parents, Mr. and Mrs. Singleton.

Mr. C. O. Stone, of Danville, spent Tuesday with his daughter, Miss Frances Stone, who is a student at the Normal school.

Miss Bessie Telford returned from Agnes Scott Monday to spend the summer vacation with her parents, Dr. and Mrs. R. L. Telford.

Mr. and Mrs. J. B. Walker, Mrs. James Burnside and Miss Mary Miller were in Lancaster Monday to attend the funeral of Mr. Hudson Frisbie, who was drowned in Dix river Sunday afternoon.

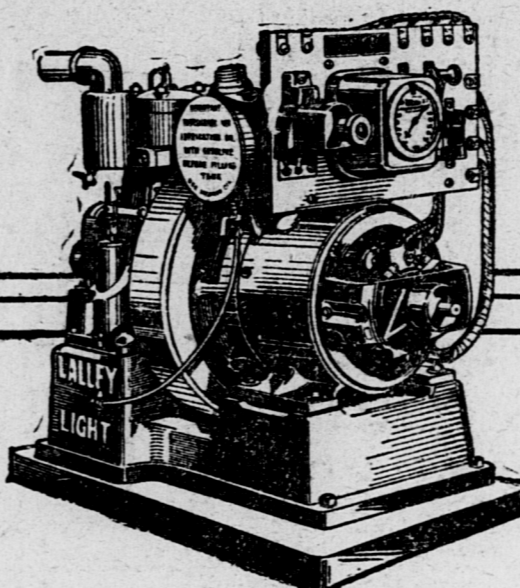

Friend: here will be sorry to know that Margaret Steele, the bright little daughter of Mr. and Mrs. Allen Zaring, is quite ill in Shelbyville, and is not able to be brought home. Dr. L. V. Williams, of Nicholasville, has been attending.

Miss Mary Catherine Jasper is expected home next week from Sullin's College, Bristol, Virginia, where she has been attending school to spend the summer vacation with her parents, Dr. and Mrs. H. C. Jasper.

Mrs. Emily Gabany, who with her daughter, Mrs. E. T. Wiggins, the past few weeks, left Monday for Los Angeles, California, where she will make her future home.

Miss May C. Hansen, first and second grade critic teacher at State Normal who has been with the Institution for several years requested a leave of absence for the coming year which was granted. Mrs. Gladys Perry Tyng, who is graduating from the Normal School this year, was elected as a substitute during Miss Hansen's absence. Beginning with the next sum-

Lalley-Light is a complete unit—engine and generator—with 16-cell storage battery. It supplies ample electricity for lights, water pump, washing machine, vacuum, cream separator, juicing mill, iron, etc.

### Lalley Light and Power Multiplies Labor on the Farm

The actual time and labor savings on the farm with Lalley Light and Power are so conclusive that practically all Lalley owners figure that it actually takes the place of man-power.

They learn that it does this by enabling the same help to do more work; or by getting the same amount of work out of a smaller number of helpers.

Thus thousands of families all over the country are buying Lalley plants for other reasons besides their wonderful light.

They are even more attracted by the actual savings its power makes in time, money and especially in man-power.

Come in and let us prove its labor-saving economy out of actual owners' experience records. When seeing the Lalley you will the more readily understand its possibilities.

#### ALMOST ALL STUDENTS PASS

It develops that most of the students of the Eighth grade in the county school who recently took examinations for promotion to high school work, successfully passed, and there will be a number of new faces in the ranks of the high schools when they convene. The teachers had been preparing the students for the examinations, and this special work is given as the cause for the unusually large percentage passing. Most of those who failed to successfully pass the examination, were held out of study by illness.

## HARTMANN Wardrobe TRUNK

You are at home the instant your HARTMANN arrives. Whether your sojourn is an hour or weeks, the HARTMANN opens to you your complete wardrobe—instantly accessible—delightfully immaculate. We can say with the confidence of experience that you will find in no other trunk the exclusive conveniences, compact arrangement and sturdy structure which we can show you in HARTMANN Wardrobe Trunks.

Thirty-eight styles to select from.

Prices \$46.50 to \$238.50

Among the many HARTMANN features are:

#### Top Master Lock

A lock of special HARTMANN design, massive and secure. A feature found only in HARTMANN trunks. You may feel safe in packing your most valued possessions in a trunk so well protected.

#### Hartmann Cushion Top

Has a two-fold purpose—First, to rest on top of hangers, holding them firmly in position, and second, to prevent wrinkling of the garments.

#### Bottom Keyless Lock

At the right of the hangers is a ringed rod which extends to the lower lock. A slight pull upon it releases the lower lock. No stooping.

#### Steel Collar Band

Note that a steel collar extends around three sides and supports the hangers and trolleys. Strength at this point is an important feature as the weight of all hangers and garments is supported by this collar.

Send for Catalog for detailed description of Hartmann Wardrobe Trunks. We Prepay Express Charges on all out-of-town orders. Mail orders promptly filled.

#### Drawer Locking Bar

Prevents pilfering of small articles from drawers of your trunk when it is open.

#### Electric Iron Device

HARTMANN Wardrobes have an especially fitted compartment to carry your electric iron. The device is so constructed that you can fasten your electric iron securely in place.

#### Drawer Compartments

The two upper drawers are for your small articles and light garments. They will hold a goodly array when folded to the shape of the drawer. The center drawer is made in two compartments. The one to the right is convertible and may be used for general purposes or will accommodate a man's dress hat. The two lower drawers can be used separately or can be converted into one large compartment for women's hats.

#### Shoe Box

The shoe box will accommodate four pairs of high shoes and several pairs of golf or tennis slippers.

### CURREN LEADS IN TOBACCO PLANTING

Prominent Producer And Judge  
Of Crops At Head Of  
Local List

The first tobacco plants in any of the larger tracts near Richmond have been set out and give promise of doing well, according to the owner, Mr. B. Curren, one of the best known and earliest farmers of this locality. The tract comprises one and one half acres and the plants have begun to flourish. The old Richmond baseball park is the scene of this unusual activity, owing to the continued rains, and Mr. Curren is of the belief that the crop will be good. His judgment, when it comes to tobacco and crops generally, is accepted by all who know him, as sterling, and his leading the list in the immediate vicinity of Richmond, in the way of putting out tobacco, is characteristic of his custom. He has been a producer of tobacco for years, and believes that plants properly placed in the proper soil at this time of year, will grow well, despite the present weather. There has been but little planting in Madison county thus far, owing to unfavorable weather. Farmers are anxiously waiting the opportunity to put out both tobacco and corn crop and this work will be very extensive with favorable weather. There is some corn planting today in various parts of the county, although in many localities the ground is too wet to admit of work going on. The army of country men is standing "at attention"—ready to plunge into the belated work of planting as soon as the weather will permit.

### JETT WRITES INTERESTINGLY OF PRINCETON UNIVERSITY

Richard Jett, of Richmond, student at Princeton, writes interestingly to his mother, Mrs. Shelby Jett, of the athletic victories over Yale, and of William Venny, of that institution, inventor of the first electro-magnetic telegraph and other affairs of interest. He is progressing well with his studies, he writes, and is "getting along fine", however, when his mother mentions "fried chicken", in her letters to him, there is that "There's no place like home" feeling.

S. D. Jones is home from a business trip to Paris and Winchester.

### BUILDING PLANS FOR EASTERN NORMAL

President Coates of the State Normal has directed architects to prepare plans for enlargement of the Gymnasium with swimming pool attached and to have same presented at the next meeting of the Board of Regents. The fact that Physical Education has been made compulsory in the State, makes this addition to the equipment absolutely necessary.

Mr. E. A. Weber of the Firm of E. A. and C. C. Weber Architects, who has planned a number of the buildings for the Regents has submitted preliminary plans for the Girls' Dormitory and an addition to the Men's Dormitory. The general outline was approved and he was directed to develop his plans and present them at the next meeting of the Regents in July.

### Prof. Smith At Glenco

Prof. G. D. Smith, of the Science Department of the State Normal, left for Glenco Tuesday afternoon where he will deliver the graduation address Tuesday night for the high school students. An elaborate program has been arranged, the list of graduating students being the largest in years.

Herbert Hoover predicts that sugar prices will remain up for two or three years.

### THE BEST ON EARTH

Says Mrs. Staples of Lydia E. Pinkham's Vegetable Compound.

Taunton, Mass.—"I could not eat or sleep for six months, had fainting spells and could not walk without help for three months, caused by female trouble. My cousin, who was a doctor, told me to take Lydia E. Pinkham's Vegetable Compound and it helped me greatly. Then during the Change of Life I used the same remedy. I am seventy years old now and am able to do my own housework and walk one mile to church every Sunday morning and evening. I am recommending the Vegetable Compound to my friends having the same troubles as I had. Your remedy is the best on earth. I cannot find words to express my gratitude to it."—Mrs. SUSAN C. STAPLES, 157 B School St., Taunton, Mass.

The reason that thousands of women from all parts of the country write such grateful letters is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and illness. It has relieved women from some of the worst forms of female ills, such as displacements, inflammation, and ulceration. Why don't you try it?

### SCIENCE STUDENTS PROVE GOOD HIKERS

Sixty students, 45 girls and 15 boys of the Science Department at State Normal under the guardianship of Prof. G. D. Smith, boarded the midnight train Sunday night and went to Berea, where they "took the road," and walked four miles to the foot of East Pinnacle, where they enjoyed lunch and then climbed to the summit, a distance of two miles, where they enjoyed the sunrise. They later descended the hill, walked back to Berea, boarded the train and returned to Richmond Monday afternoon. All thoroughly enjoyed the botanical and nature-study excursion, as the trip is called. Every one of the party proved to be a hiker of note, and the record is a very creditable one, none lagging during the entire journey. The sunrise from the summit of East Pinnacle, with Pilot Knob and Cow Bell hollow and other mountain peaks in the distance, was a glorious sight according to unanimous opinion.

### BLUE LICK SCHOOL

Farmers are much behind with their work. Tobacco plants are small and the crop will be set late.

Mrs. J. Calvin Hendricks and children spent Sunday with Mrs. Matilda Hendricks.

Mrs. Alice Lewis visited Mrs. W. H. Lewis Sunday.

Mr. J. A. Carter has returned from a business trip to McKee.

Mr. J. A. Carter sold a driving horse for \$200 recently.

Sunday school is progressing with an increased attendance. Prayer meeting every Wednesday night.

Violators of the law in this part of the county who have been hiding during circuit court are being caught or put to rout by fearless constable, Mr. Andy Poff.

### Likes To Visit Richmond

C. M. Edwards, of Ravenna, is spending a few days with his brother, B. F. Edwards, county superintendent of schools. Mr. Edwards, who is well known here, is glad to be able to come here for a visit, having just recovered from a two months' seige of typhoid. "I'm always glad to visit in Richmond," said Mr. Edwards, "but I don't like to have typhoid in order to get a vacation." The visitor is in the railway offices at Ravenna.

## Don't Expect to be Cured of Fiery Skin Diseases

By Old-Time, Out of Date Methods  
of Treatment.

Usually those who continue to suffer from stubborn ailments are those who refuse absolutely to heed the teachings of medical science. New discoveries are being constantly made, and those who fail to take advantage of the wonderful accomplishments of men of science will continue under the handicap of disease.

Your eczema, tetter, boils, pimples, acne, scaly skin eruptions, and burning fiery irritations that cause so much discomfort by their terrifying itching, come from a tiny disease germ in your blood, which multiplies by the millions. These germs find some weak spot where they can break through the skin and set up their attack, and if you have ever had any form of these skin disorders, you know what real torture is.

The reason these disorders appear so stubborn and hard to get rid of, is because they are not given the proper sort of treatment. In other words, the irritation and itching becomes so intense that the patient thinks only of relieving this discomfort, instead of directing his efforts toward getting rid of the cause of it all. Hence the constant use of lotions, salves, soaps and ointments can make no

impression whatever on your trouble, other than to afford some temporary relief.

But why be content with mere temporary relief? Are you not desirous of being permanently rid of this annoying trouble that is a source of such constant torture? Wouldn't you give almost anything to be once more free from the itching and burning that makes your skin seem like it was on fire?

Then throw aside at once such makeshift treatment that can only reach the surface, and begin taking a remedy that goes direct to the source of your trouble. Go to your drug store, get a bottle of S.S.S. and begin a thorough course of this fine old blood medicine that kills the germs that creep into the blood and cause all of your skin discomfort. S.S.S. is a purely vegetable compound, made from roots and herbs of recognized medicinal value. It so thoroughly cleanses and purifies the blood that the germs of disease are eliminated, and then real relief comes.

This fine old remedy is the sane and sensible treatment for your skin disease, as you will find by giving it a trial. If your case should need special advice, it can be had without cost to you, by writing to Chief Medical Adviser, 14 Swift Laboratory, Atlanta, Ga.

Admiral Benson is the first American to receive this highest degree of knighthood in the military division of the Order of St. Gregory the Great. The decorations which Admiral Benson will be entitled to wear as a knight of the Grand Cross of the Order consist of a silver medal and an octagonal gold cross bearing on a field of red the image of St. Gregory the Great. The silver medal is worn on the left breast. The gold cross is attached to a red silk ribbon edged with yellow.

**"SAVE STATE FROM DANCERS"**

Maryland Legislator Introduces "Emergency Measure" in House—Causes Uproar.

Annapolis, Md.—John A. Wellbrenner, representing Baltimore county in the house of delegates, introduced a bill making it unlawful to indulge in "square dances, round dances, fox trots, shimmying, jizzes or any kind of dancing in the counties comprising the eastern shore."

As soon as the bill was introduced and its purpose became known, Delegate Gambrell moved to make it an emergency measure as essential to the "preservation of the health and salvation of the people of Maryland."

When the irony in the Wellbrenner bill was recognized a pleasant time was had by all except the delegates from the eastern shore. Some of them took it seriously and some others began to see double when the purport of the Wellbrenner bill broke upon the calm and peace of a rainy day in Annapolis.

**\$10,000 IN HER STOCKING**

Police Matron Finds Some "Loose Change" When She Searches Prisoner.

Pittsburgh.—Ten thousand dollars was what the matron of the Allegheny police station found when she searched Mrs. Lottie Millnar, north side woman, who was arrested on complaint of neighbors, who alleged she was too quarrelsome. The money tightly rolled together, was tucked into the woman's stocking.

Miss Margaret Andrews, as is customary received the prisoner and conducted her to her room set apart for searching.

"What's this?" she said, when she came across the roll of bills.

"Some loose change," said Mrs. Millnar. Later the prisoner put up her \$300 forfeit for release. She said she had drawn the money from a bank to buy some property.

**Grave of Horse Kept in Good Condition**

Grass Valley, Cal.—The strange spectacle of the grave of a horse being kept in tidy condition and decorated once each year with flowers and flags is witnessed near Forest Hill, Placer county, southwest of here.

The horse, a common stage animal, on July 3, 1902, was shot dead by a bandit, who was attempting to hold up a stage.

Among the passengers was a Chinaman, who, following the robbery, carefully buried the horse and placed American flags on the grave. Once each year he has repaired to renew his ministrations.

As a result of the "outlaw" railway strike, it is estimated that 300,000 are idle in New York City alone.

## Why a Majority of the Smaller Cars Come on Goodyear Tires

Last year more cars using 30x3-, 30x3½-, or 31x4-inch tires were factory-equipped with Goodyear Tires than with any other kind.

This is plainly a result of the high relative value produced in these tires for the smaller cars by Goodyear's enormous resources and scrupulous care.

They represent the same intense endeavor to supply utmost satisfaction in tires that has laid the basis for the marked preference which exists everywhere for Goodyear Tires in the larger sizes.

This real Goodyear value in tires is available for your Ford, Chevrolet, Dort, Maxwell, or other car using one of these sizes, at our nearest Service Station. Go there for these tires and Goodyear Heavy Tourist Tubes.

**30x3½ Goodyear Double-Cure Fabric, All-Weather Tread..... \$23.50**

**30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$21.50**

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water- \$4.50 proof bag.

**ROAD IMPROVEMENT IS NOW ASSURED**

With approximately \$20,000 in hand and about \$3,000 which is believed can be readily raised by subscription, J. G. Baxter, County Engineer, believes that the contemplated improvement of the Richmond and Winchester road in the vicinity of Red House, and the bridge across Otter creek in that vicinity, which will eliminate two dangerous railway crossings, will soon be realized.

The L. & N. railway company, which brought the proposition up some time ago, has deposited its pledge of \$5,650 with the county engineer, and together with other funds available, indications are that the plans will soon be completed and the work accomplished. Mr. Baxter has a chart, showing the proposed improvements, which has been submitted to the railway company, and there is every reason to believe this will be accepted, since Superintendent Morrison, of the railway company upon presenting the original plan, stated he would be satisfied with any mode of procedure and plan outlined by the engineer of Madison county.

The crossing at Otter creek, is said by Mr. Baxter to be the largest in the county, unbridged, and this improvement is to be taken in with the new road matter. County officials contemplate the erection of a new schoolhouse at Red House, and it is expected that the residents of that vicinity will be called upon for a donation when the public subscription is started. The Richmond-Winchester pike is said to be the busiest public thoroughfare in Madison county during the summer months.

An unknown thief entered the room occupied by Mrs. James B. Brown, in the Seelbach hotel, Louisville, grabbed her purse containing \$125 and fled. His face was covered with courtplaster as a mask.

## Would You Lose If Your Property Burned Today?

The destruction of that \$5,000 home you built a few years ago would lose to you the original cost, plus another \$5,000. For it costs \$10,000 now to build the \$5,000 home of 1914.

Likewise the loss of today of the business property that cost \$50,000 before Germany went mad, would be \$100,000—probably \$100,000 would not replace it.

**TEACHERS' GRADES WILL BE IN EARLY**

There will be no delay upon the part of the examination papers of teachers of the schools of Madison county, according to the statement of State Superintendent George Colvin, who has assured County Superintendent B. F. Edwards, that he will see that the reports are issued without delay, even though the crops of examiners has to be greatly increased. This will be good news for those taking the examinations and who contemplate teaching school at the next term. Heretofore considerable delay is said to have been experienced, owing to the tardiness in receiving the grades, many of the instructors not knowing whether they were qualified to teach, until the proverbial eleventh hour. There will be a goodly list of new teachers this year, and a greater number than usual from the State Normal. Superintendent Edwards states that the early grading results will prove of great benefit to him since he will be able to make his report to the members of the board and arrange the details regarding the placing of teachers before the final plans for opening the schools are finished.

## A Dozen Important Reasons Why Dexter Double Tub is America's Most Popular Power Washer

1. Patent safety release opens the rolls instantly in any emergency.
2. Single lever control runs the rolls either forward or backward or stops them instantly.
3. Reversible tilting water board runs every drop of water back into the tub. No muss—no splash.
4. Complete power washing gearing in 2 tubs—it washes, rinses and wrings all at the same time.
5. Washing mechanism automatically controlled by raising or closing of the lid.
6. Lids made extra heavy and double, absolutely steam proof and heat retaining.
7. Tubs made of extra heavy Florida cy. press—corrugated inside to assist the washing process.
8. Folding steel shelf which accommodates extra rinse tubs or clothes baskets.
9. Adjustable hinge motor bracket always keeps the belt at the right tension.
10. Bench made of channel steel keeps all working parts in alignment.
11. All corners rounded—bench securely braced and cross braced.
12. Tubs tilted so that every drop of water drains out—no heavy lifting.

### HEARD ABOUT TOWN

The name of Governor James M. Cox, of Ohio, will be presented by James G. Johnson, Supreme Court Justice, at the National Democratic convention as announced by the Cox-for-President organization.

Lillian Gilbert was granted a divorce from William Gilbert Saturday afternoon by Judge Shackelford.

The Eighth Congressional Rural

Carriers' Convention will be held at Junction City on May 31.

The marriage of fourteen-year-old boys and twelve-year-old girls is valid in the State of Tennessee without the parents' consent.

Dr. Thomas R. Griffin, of Danville, has been appointed medical advisor for the Workman's Compensation Board by Gov. Morrow.

The Richmond City team walloped

a mixed team Saturday afternoon on the Normal school grounds to the tune of 10 to 7. Hanger and Lackey formed the battery for the city team, Pope and Mainus, for the mixed team.

C. L. Ryley, of Lexington, has purchased Mine No. 4, at Lenut, Ky., for \$125,000, it is said, and will take immediate charge. The offices will be removed to Lexington. The property was formerly owned and controlled by the Superior Coal Company.

There will be a pie social Saturday evening at Oakland school. Moberly for the benefit of the school.

Samuel Dick, and sister, Miss Florence Dick, and Miss Lucille Crouch, of North Middletown are guests of W. L. Arnold. Mr. Dick will have charge of this territory for an insurance company.

Mrs. F. J. Barnes and children James and Mary Kathryn have gone for a two weeks visit to Mrs. Barnes' mother, Mrs. J. M. Goff, of Jackson. They will also visit friends and relatives in Hazard.

Miss Sara Douglas, 20 years old, was shot and killed by a member of the household, being mistaken for a burglar.

A message to relatives at Mt. Sterling states that the body of Adolphus D. Riggs, a Montgomery county boy, who lost his life in the late war, has been shipped from France and is due to arrive in Hoboken, N. J., tomorrow.

There is a "backward, but bright" boy in the grammar class at the Bend school. Verbs were always a nuisance in his estimation, anyhow; so when his teacher asked him to compose a sentence using the verb "set", this is what he gave in: "I set on a pin and hatched a yell."

### YOUNG MRS. WINTHROP IS REGARDED AS A CLASSIC

Local screen admirers who recall the powerful portrayal, given by J. M. Dumont as "The Dope" in "The Miracle Man" will see him in a entirely different type of role in "Young Mrs. Winthrop," the latest Ethel Clayton picture coming to the local Theatre. In this photoplay which is a highly dramatic story of young married life Mr. Dumont has a light comedy part. He is the divorced husband of a society flirt who is seeking to win back her affection. Another former husband is his rival. But the third party finally carries away the prize. Mr. Dumont is just as effective as a comedian as he was in the semi-heavy role of "The Dope."

### ONE DOZEN INDICTMENTS RETURNED BY GRAND JURY

After having examined almost 100 witnesses, persons summoned before them Madison county grand jurors were dismissed Tuesday evening, and it is learned that an even dozen indictments were returned. This is a greater number than returned at the first meeting, when ten were turned in. The list of persons examined however, was the largest in some time. The cases resulting from the examinations will be carried over till the October term of court.

also the best interests of the city resident, and he points out the grave dangers resulting from the abandonment of the farm by the young man and woman of today.

Mr. Jordan knows what he is talking about when he talks about farming, for he has made a big success as a farmer.

### "LANGUID"—THAT'S THE WORD

Not Exactly Sick, Just Seem To Have No Ambition

An Awful Feeling Seldom Necessary

Pepto-Mangan, The Red Blood Builder, Does Away With Languor

If you don't feel like doing things, you won't. If you wonder where some people get all their energy, the answer is from good food which in turn makes rich, red blood.

If your food does not give the nourishment and vigor it should, it is most likely that your blood is so weak that it needs a little extra strength for a time to build it up to normal strength.

Thousands of men and women have been restored to vigorous health and lasting happiness by Gude's Pepto-Mangan. This beneficial blood tonic contains the very properties so vitally needed to improve the blood. Pepto-Mangan, if taken for a few weeks, will enrich the blood and create thousands of the tiny red blood cells that are so necessary to carry nourishment and strength to every part of the body.

Be sure to ask your druggist for "Gude's" when you order Pepto-Mangan. For convenience it is prepared in liquid and tablet form, both possessing exactly the same medicinal properties. Gude's is the genuine Pepto-Mangan. Look for the name "Gude's" on the package.—adv.

### LAST COUNTY SCHOOL COMMENCEMENT ON

The commencement week exercise at the Union City High School this week will close the graduation of the schools of Madison county for this year, and they have been enjoyable and successful in every particular. Never before, it is said, have the students and faculty taken the interest manifested this year. There have been many entertainments in which the students have participated largely and which have been a credit to both the students and instructors.

"All A Mistake", is the title of an operette to be presented at the Union City school on Thursday night. This is being prepared for and there will be a number from Richmond witness the presentation of the play.

Members of the county board as well as superintendent Edwards have nothing but praise for both teachers and student as a result of the brilliant work accomplished during the first half of the year.

## What Is a Person to Person Long Distance Call?

ON person to person calls the person originating the call specifies a particular person to be reached. When a person to person call is made, the company not only must do everything that it does in a station to station call to establish a communication, but must do it at a time when the particular person called will be available, and will, as a matter of fact, talk. Obviously, the company has no control over the whereabouts of persons called, and there is involved an additional expense and circuit use, and uncertainty, caused by conditions over which the company has no control or influence. So that it is both logical and proper that the charge for a person to person call should be relatively more than the station to station call.

Orders for person to person calls are accepted only under the condition that a limited charge will be made when under certain conditions, it is impossible to establish communication between specified persons. This charge is classified as a "report charge."

By studying their needs, toll users can effect economies and make the service more valuable and convenient.

If there is anything about our rates and practices you do not understand, call the business office and we will be glad to explain the whole detail to you.
